| All Markets Combined                 |                 | 1,054                          | 1,127 | -6.5                      | 10.42                | 14.91 | 7.51  | ---           |

1/ Previous year figures are simply the summation of the data for the marketing areas that were consolidated to form the marketing area.

2/ Election not to pool milk due to disadvantageous price relationships could affect year-to-year comparisons in this table. See 2/ and 3/ on table 8.
